## **RULES**

### **CUT – OFF SYSTEM**

- **Preliminary:** When 20 or more competitors participating. A competitor performs given poomsae and half competitors from each group advance to the semifinals based on the number of points. If the number of participants is odd, then it should be rounded number of competitors on the same number.

- **Semifinals:** when the group from 9 to 19 contestants, the competition starts from the semi-finals, the competitors perform given form and 8 riders on the basis of going to the finals.

- **Final:** when a reported 8 or fewer competitors, the competition starts from the final round. Competitors perform two mandatory forms, and the 4 best placed competitor / pair / team will be awarded on the basis of points 3 and 4 place taking the bronze medal. **NOTE:** If due to the large number of competitors, or lack of time, the organizer may change that in the finals instead of two forms competitors can do one specified form, in agreement with the Commission technical approval for a class competitors.

### **Decision and announcement of the winners:**

The winner will be the contestant who has the most points.

- In the event of a tie, the winner will be the contestant who is awarded more points in presentation. In case the tie persists, then the one who has the higher total sum of points (total points of all judges, including the highest and lowest judges) will be the winner. If the score is still tied then they will work extra matches to determine the winner. The judges will choose the form that will be evaluated.

Again running a required form. The previous score will not affect the result of the re-run. In the event that the score is tied after the re-run of form, the winner will be the competitor with more total points, including the lowest and the highest grade which were not included in the collection results.
