Due to the Covid-19 pandemic and the impossibility of the arrival of some foreign participants, the competition will be held on the principle that foreign poomsae participants participate in the competition with a video that will be streamed in real time of the competition. (The recording of the performance should be submitted by October 21, 2020.)

An explanation of Poomsae video and venue competition

Croatian athletes must participate in the competition in venue.

Foreign athletes and non-residents can participate in the venue competition or can submit a video of poomsae performances for their category.

The competition will be performed in such a way that the received videos are displayed in the category to which they belong on the projector screen and the referees score the performance in real time during the venue competition. For video contestants, medals will be delivered by mail.

VIDEO RECORDINGS

Minimum video requirements for Poomsae event:

- minimum of 720p with 30/60 frames per second
- The athlete must be 100% full body inside the video screen at all times
- The camera can be moved to facilitate this coverage
- The athlete must facing the camera in the start position
- The camera must be fixed but may be rotated no more than 45 degrees left and right, zoom is allowed, as long as the full body is in the video screen
- <mark>– Video mus</mark>t be in landscape mode

DEDUCTIONS

- Poor quality videos that are unable to be judged by the referees will deduct a minimum score of 1.5 per poomsae.
- 0.3 will be deducted if any part of the contestant's body is out of the video frame.
- The deductions will apply for each movement, where a part of the body is not visible.

UPLOAD

The video needs to be uploaded to You Tube in high resolution and after registration submit a poomsae link to uredehpts.hrThe video name should be: lastname_name_teamname_category_poomsae
